Dear Friends,

Quaker Valley Youth Football and Cheer is preparing for the upcoming fall season. Sponsors are a vital piece of our program, contributing to the opportunities provided to our young players. Currently, the organization is seeking sponsors for the 2023 season. The Quaker Valley Youth Football and Cheer program cannot be successful without the help of you!

Any amount of donation is greatly appreciated. By donating to our youth football and cheerleading program your business will be recognized. We have established four sponsored tiers. Our hope is that your business can select one of the following tiers and support our youth organization.
